## HORTICULTURAL RULES AND REGULATIONS

This rose show is open to all rose growers.

- ◇ The rules and regulations of the American Rose Society will generally govern this show.
- ◇ All roses entered must have been grown out of doors on plants that have been the exclusive property of the exhibitor.
- ◇ All exhibits will be received on Saturday, July 2, from 6:30 AM to 9:45 AM. (Please note this is a one day show.)
- ◇ **An exhibitor may enter as many varieties in each class as desired, including challenge classes.**
- ◇ Containers will be furnished for all exhibits. Entrants will be responsible for placing their own entries. **This is a varietal alphabetical rose show.** All entries will be entered alphabetically according to the first letter in the first name of the variety. All roses must be exhibited under their ARS Exhibition names, as listed in bold type in the ARS Handbook for Selecting Roses or other approved ARS publications. A rose variety need not be registered with the ARS to be exhibited in this show, but must be listed in an ARS-recognized publication.
- ◇ Judges will meet at 9:50 AM for instructions. No judge will judge in a class in which he or she, or a member of their immediate family, is entered.
- ◇ All exhibits are under the control of the show committee. There shall be no removal of any flowers displayed until after the show closes at 5:00 PM on Saturday, July 2.
- ◇ All entries may be moved by the Show Chairman in order to utilize available table space.
- ◇ **Wedging material may be used to position a specimen in its container. Allowable wedging materials include only plant material and styrofoam provided by the Olympia Rose society.**
- ◇ ARS or PNW entry tags are acceptable and will be available. Entry tags must be filled out completely, then folded with name and address concealed. Ribbons will be mailed to those who complete a self-addressed envelope at the time of entry, provided the name and address are on the entry tag.
- ◇ Once an exhibitor has won a second trophy in the horticultural section of a rose show they are no longer considered a “Novice Exhibitor” and must then enter the open sections of the show.
- ◇ Blue ribbon specimens from the Novice section are eligible for the Court of Honor.

## **DEFINITIONS:**

- ◇ One bloom per stem means without side buds.
- ◇ A spray must consist of two or more blooms.
- ◇ A stem follows the definition as allowed by ARS Guidelines for Judging Roses. Note: Disbudded or singly grown Grandifloras may be entered in any class designated for one bloom per stem Hybrid Tea roses unless otherwise stated.
- ◇ Hybrid teas and hybrid tea climbers must have been grown disbudded unless otherwise specified.
- ◇ Side buds are permitted on single and semi-double hybrid teas, polyanthas, floribundas, grandifloras, large flowered climbers, shrubs and all classes of old garden roses unless otherwise specified.
- ◇ Judging shall be in accordance with the ARS Guidelines for Judging Roses. Points are allocated to an exhibit as follows:

Form	25 points
Color	20 points
Substance	15 points
Stem & Foliage	20 points
Balance & Proportion	10 points
Size	10 points

Judging is based upon the comparison of the approach to perfection of the individual variety. At the time of judging, an exhibition rose should be in the most perfect phase of its possible beauty. Usually this is when the bloom is 1/2 to 3/4 open and has a well-formed center. Buds and roses just beginning to open do not qualify as blooms.

- ◇ All sections for miniature roses are open to miniflora roses as well.
- ◇ Only blue ribbon winners are eligible for awards.
- ◇ Challenge class entries will not be considered for Court of Honor awards.
- ◇ Entries may be disqualified for the following reasons:
  - ☆ Misnamed.
  - ☆ Misclassified.
  - ☆ Unlabeled or mislabeled.
  - ☆ Stem-on-stem (except old garden roses and shrubs).
  - ☆ Presence of foreign substance.
  - ☆ Side buds on an exhibit that must be shown disbudded.
  - ☆ The appearance of the name of the exhibitor in any location on the entry tag other than the place designated.
  - ☆ Any violation of ARS or Olympia Rose Society show rules.
- ◇ Each exhibitor agrees that the ORS, its officers and committees and St. Michael Catholic Church, will not be held responsible for loss or damage to any person or property.
